HAJRA  
KHATTAK  
TREASURER

MANUEL GONÇALVES  
HENRIQUES  
MEMBER - WEBMASTER

SOFIA  
TSIAPAKIDOU  
MEMBER

# 1 ENTOG COUNCIL MEETING

All ENTOG country representatives and every other interested trainee are invited to a report of our activities at the annual Council Meeting in Oslo, Norway on 16th September 2022. As usual, important decisions will be made and your voice is necessary for that.

Nominations are invited for the following executive committee positions:

- Treasurer
- Member-Webmaster

[Apply](#)

Interested trainees can apply by sending their curriculum vitae and their motivational letter to at least 2 weeks prior to the Council.

- Although applications on the spot during Council are also accepted, it is recommended to apply up front, because applicants can benefit from the proxy votes of the non-attending countries.
- All candidates will have a 2-minute pitch during Council to present themselves to the voters. For more information trainees can consult the current executive members.

ENTOG member countries are invited to submit their bid to be the host country for ENTOG Exchange 2024!

[Submit](#)

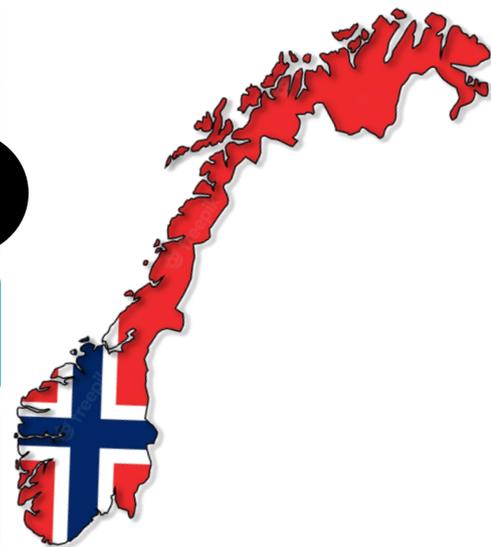

Countries interested in hosting ENTOG Exchange 2024 are asked to contact us through our email as soon as possible. Bids will be presented during Council and the best one will be elected. We are hoping for another successful ENTOG Exchange in 2024!

**Country representatives:** *We urge you to inform the Secretary General about your attendance for the Council and who will be your replacement in case of absence. We'll inform you about the candidates 1-2 weeks prior to the Council.*

# VELKOMMEN TIL NORGE!

2

12th to 16th SEPTEMBER 2022

## ENTOG EXCHANGE NORWAY

With great excitement ENTOG will welcome 50 trainees from all over Europe to Norway this year. All of them are already allocated to one of the many hospitals across this beautiful nation.

- Trainees are expected to arrive in their host city on Sunday 11<sup>th</sup> of September. The observership takes place from Monday 12<sup>th</sup> to Wednesday 14<sup>th</sup> of September.
- On Thursday 15<sup>th</sup> of September trainees will meet each other in Oslo in the evening time (Norwegian style!) and the day after, we will gather for the Scientific Meeting and Council Meeting and a dinner-cruise!

Scientific Meeting Theme: VAGINAL BREECH DELIVERY

## 16th SEPTEMBER 2022

Trainees who are not participating in the exchange are welcomed to join the Scientific Meeting and the dinner-cruise for a reduced fee of €100!

Contact the Norwegian Local Organising Committee for enquiries and registration to the Scientific Meeting and the magnificent Dinner Cruise

## EBCOG Fellowship 2023

Now accepting  
applications!

## EBCOG FELLOWSHIP 2023

EBCOG is now accepting applications for 2023 EBCOG Fellowships!

EBCOG awards 3 fellowships annually to Obstetrics and Gynaecology trainees currently training in Europe.

The application deadline is 30th September 2022

More information  
& application

## BECOME AN ENTOG-EJOG TRAINEE EDITOR!

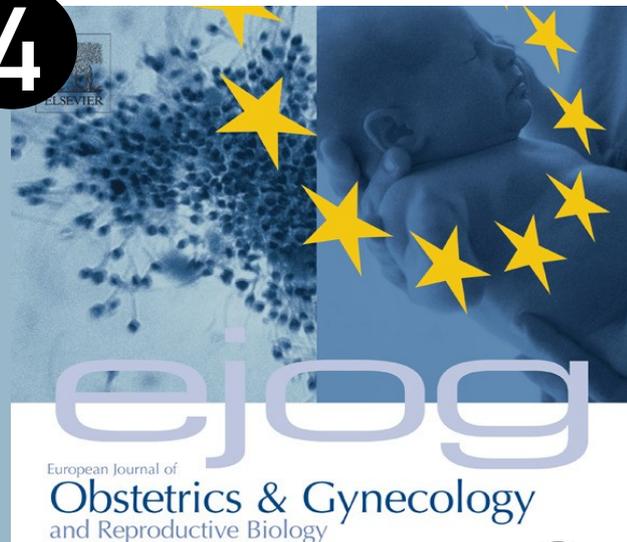

ENTOG is delighted to share our latest achievement with you! After much negotiations, ENTOG finally sealed its collaboration with EJOG to increase trainee involvement in the editorial process. This collaboration meant that Trainee Editors will now be part of the Editorial Board of EJOG.

ENTOG will facilitate the recruitment of THREE ENTOG Trainee Editors for EJOG; who will be in charge of the selection process!

If you are interested in elevating your scientific career to the next level, we encourage you to send your curriculum vitae and motivational letter now!

FIGO and WATOG essay  
competition for trainees

## Innovations in contraception for global reproductive health

Submit by 15 August 2022,  
23:59 UTC+1

## FIGO/WATOG ESSAY COMPETITION

FIGO is inviting trainees to share their vision of how innovations in contraception provision can influence future of global reproductive health. Coordinated by FIGO's Committee on Contraception, the competition in writing the best essay on this subject will run from 1 July until 15 August 2022, and the call for essays is on the topic "Innovations in contraception for global reproductive health".

- Essays should be no more than 500 words in length, and submitted online along with a suitable image for publication (between 1-2MB)
- Winners will be contacted at the beginning of September and announced as part of FIGO's 2022 World Contraception Day campaign

Submit

The deadline for submission is Monday 15 August 2022 at 23:59 UTC+1 (UK time)

## UPCOMING EVENTS & CONGRESSES

Trainees are the future of Obstetrics & Gynaecology and are welcomed to join these events organised by our partner societies. ENTOG executive members will be at these events...WILL YOU?

- Register early and benefit from the early bird fees
- Watch out for ENTOG contests *to win free registration!*

## HIGHLIGHTED CONGRESS

ENTOG will be presenting our publication on Pediatric and Adolescent training in Europe and chair the research session at this event in the romantic city of Florence, Italy.

- Trainees can benefit from the early-bird registration fee of €195 until 31st August 2022.
- Research can be submitted until 30th September 2022

Register

Abstract submission

Thanks to our partner EURAPAG, we will be launching a contest on our social media for ONE lucky trainee to win a free registration to this congress!

Follow ENTOG on Facebook, Instagram and Twitter to stay tuned.

## HIGHLIGHTED CONFERENCE

**ipvs**  
International  
Papillomavirus  
Society

The 35<sup>th</sup> International Papillomavirus Conference will once again gather researchers, clinicians and other health professionals to share knowledge and ideas on papillomaviruses and their associated diseases.

With the theme “Coming together for HPV elimination”, the conference will take place in Kyoto, Japan on 27-31 March 2023.

- Don't miss your chance to present your research and participate in the conference by submitting an abstract by September 7<sup>th</sup>.
- Early career presentation awards will be given out

ENTOG encourage trainees involved in HPV research to submit their abstracts for this Conference.

- ENTOG will launch a social media contest in October 2022 for free registration to the Congress.

28<sup>th</sup> EBCOG  
CONGRESS  
POLAND - 18th-20th MAY - 2023

*Women's Health in Europe*  
facing up to the challenges

Abstract submission will open on  
1st August 2022

- An ENTOG mini-exchange will be happening in Krakow in the lead up to the EBCOG Congress 2023
- Stay tuned to find out more!

**MULTICENTRE  
RESEARCH GROUPS**  
POWERED BY ENTOG

Ever wanted to upgrade your study? Are you currently collaborating just with the hospitals in your region or country?

Why don't you start an international research project? Think big!

Promote your study and start a Multicentre Research Group powered by ENTOG.

- You promote your study, and other trainees can volunteer to connect with your study.
- Together you'll obtain more and international data.

**ONE2ONE  
EXCHANGE**  
POWERED BY ENTOG

Our individual exchange project was relaunched in Athens last September.

This project gives trainees the opportunity to have an in-depth view in the life of a trainee in another member country. It is an exceptional chance to network, exchange knowledge and exchange experiences focused on your personal interests and needs.

The success of this project depends on the availability of hosts. We are in great need of enthusiastic trainees to host other trainees!

**11 - 12 - 13 MAI 2022**  
Paris Convention Center - Porte de Versailles  
ENGLISH SPEAKING ENTOG MEETING 13-14 MAY

Last May the French Trainee Association (AGOF) organised a trainee meeting for European trainees at the PSF Conference

in Paris. 20 trainees had the opportunity to attend the conference where workshops in English were specially organised for them after the Conference on Saturday. Trainees were able to improve laparoscopy, hysteroscopy, ultrasonography and shoulder dystocia skills, but most impressive was the amniocentesis skill station. The gynaecologists of PointGyn, who hosted the workshops, created real-like mannequins made of chicken filet, water balloons and garbage-bags. It was a great experience to try this out without hurting the patient and her baby.

The evening before the workshops AGOF hosted a beach party in the middle of Paris. The cocktails tasted great and the atmosphere was great. It was a pleasure to meet some many international trainees in-person again. ENTOG hopes to be invited again next year so we can bring many trainees to Lille in January 2023!
